12/12/2022 + 14/12/2022

AGENDA

AGENDA: WORKSHOP

Monday 12/12/2022 @ 08:00-10:00 AM (CET)

Let's talk about certification

Practical guidance for Business Continuity Management - ICR Chapter G

Information Session *

** for EMEA/Asia Pacific time zones*

Registration fee: € 200 *

** plus legal VAT*

Business Continuity Management (BCM) is a holistic management process for identifying potential threats to a company and their impacts on regular business operations, to minimise risks and implement effective countermeasures before such disruptions occur.

This workshop is specifically designed for employees of companies that are certified according to Intergraf's ISO 14298 or CWA 15374. Our BCM expert will provide background information and take a closer look at Chapter G of the Intergraf Certification Requirements (ICR).

Templates will be provided, e.g. test protocols, BCM Continuity and Recovery Action Plan.
