AGENDA CERTIFICATION WORKSHOP MILAN (04.03.2025)

09:00 – 17:00 CET

ENHANCING SECURITY & COMPLIANCE IN TODAY'S DIGITAL LANDSCAPE

09:00-09:30
GET-TOGETHER
Arrive, connect, and prepare for the day ahead. Enjoy a coffee or tea while networking with industry peers in a relaxed atmosphere before the workshop begins.

09:30 - 09:45
UPDATES FROM INTERGRAF | Doris Schulz-Pätzold + Jeremy Tawedian, INTERGRAF
Get the latest statistics, insights, and updates on current activities from Intergraf. Stay informed about key developments in security printing and certification.

09:45 - 10:00
ROUND OF INTRODUCTION | All
A brief opportunity to see and hear who is in the room. Get to know fellow participants and set the stage for an engaging workshop.

10:00 – 11:30
SESSION 1 Physical security | Jeroen van Beek, Scattered Secrets B.V.
Gain a comprehensive overview of essential physical security requirements and explore related risks. Subjects include access control systems, attacking mobile devices, and ways to strengthen your organization's resilience.

11:30 – 11:45
COFFEE BREAK

11:45 - 12:30
SESSION 2 Cloud security part 1|Jeroen van Beek, Scattered Secrets B.V.
As security printing companies and their suppliers increasingly rely on digital infrastructure, securing cloud environments and IT systems is more critical than ever. This session will cover key risks and often made mistakes that cause security incidents in cloud environments. This information can help you to get a broader view of the threat landscape and allows you to implement robust protective measures.

12:30 - 13:15
LUNCH

13:15 -14:00
SESSION 2 Cloud security part 2 | Jeroen van Beek, Scattered Secrets B.V.

14:00 – 14:30
ICR UPDATES, BRAINSTORMING ABOUT FUTURE TOPICS | Doris Schulz-Pätzold + Jeremy Tawedian / INTERGRAF | Philippe Michau, QualiShift
Receive the latest updates on the Intergraf Certification Requirements (ICR) and participate in an open brainstorming session to discuss future topics and priorities for the industry.

14:30 - 14:45
COFFEE BREAK

14:45 – 16:45
SESSION 3 Data leaks| Jeroen van Beek, Scattered Secrets B.V.
This session explores the risks of data leaks and hands-on strategies to enhance cybersecurity. Participants will take on the role of a hacker to identify data leaks themselves. The best-performing team will win a special prize!

16:45 – 17:00
WRAP UP / Q+A
Recap key takeaways from the workshop and get answers to any remaining questions in an open discussion with experts and peers.

19:30 -21:00
WELCOME COCKTAIL
Join us for an exclusive welcome cocktail at the stunning new North Wing of Allianz MiCo in Milan. Connect with industry peers and global experts in a relaxed, informal setting. Don't forget to wear your badge!
